FAQ's:

1. How does my kid connect to the online class?
 - Google hangout (alternatively Skype or Zoom), students can connect to the class via Laptop or Ipad, teacher will send out a link to all students 5-10 mins before class starts. A parent or guardian is needed to connect.
2. How do you make sure the online classes are as interactive and fun for kids as in-person classes?
 - Each class is conducted with a shared screen Power point throughout the online class. It also includes fun and interactive games and exercises.
3. Is there any other fee apart from the tuition fee for the camp?
 - No, it's all included, no any other hidden charge.
4. What if the Internet fails during the class?
 - Teachers will have classes on campus or an tested environment with stable internet, students should connect to the class under a stable wi-fi, ideally from home.
